Singapore topped in 2nd Smart City Index 2020; 4 Indian Cities in Top 100

Institute for Management Development (IMD), in collaboration with Singapore University for Technology and Design (SUTD), IMD World Competitiveness Center, and

- i. Smart Cities Observatory (SCO) has released the 2nd edition of **global listing of smart cities** i.e. "Smart

City Index (SCI) 2020” in which the ranking of four Indian cities- New Delhi, Mumbai (Maharashtra), Hyderabad (Telangana), and Bengaluru (Karnataka) was declined as the technological advancement in these cities is not up to date to cater the COVID19 Pandemic.

ii. The index was topped by Singapore followed by Helsinki (Finland) and Zurich (Switzerland) in the second and the third place respectively.

iii. It should be noted that Indian cities have suffered more from the pandemic because they were not prepared.

Defence

China Successfully launches 9 satellites into Orbit by Sea Launch

China Successfully launched a solid-propellant carrier rocket from a ship in the Yellow Sea, China. It sent 9 satellites into the planned Orbit, and is the Second such Sea-based Launch Mission.

- i. The 9 satellites belonged to the **Jilin-1 Gaofen 03-1 group**, and were launched using Long March 11-HY2 (China's first sea-launched rocket), the 10th member of the Long March 11 family. It was the 346th Launch using the Long March Rocket Series.
- ii. The Satellites have been developed by **Chang Guang Satellite Technology Company Ltd.**
- iii. **Taiyuan Satellite Launch Center** conducted the Mission.
